

BUILDING

INSPECTIONS

Negotiate a better sale price if unforeseen defects are found.

Withdraw from sale if necessary.

Budget for major maintenance works required on a property.

Integrate defect repairs into renovations and extensions.

Have peace of mind that the investment is a good purchase and is not going to cost thousands later on.

Having a professional inspectors second opinion gives you peace of mind. How much is that worth to you?

01

INTERIOR

From the front entry door, to the trusses and everything in between.

02

EXTERIOR

From the crawl space, to the garden, to the roof and everything in between.

03

REPORT

A fully detailed photographed report.
